FOREIGN DOCUMENTS DIVISION

Administrative Instruction

No.

27 October 1949

(Reissued 28 April 1950)

Subject: Branch Areas of Responsibility

1. The USSR Branch shall be responsible for the production of pertinent intelligence information in all subject categories except Scientific and Engineering, from all foreign language documents dealing with the USSR.

5. The Scientific and Technical Branch shall be responsible for the production of pertinent intelligence information from foreign language documents in the fields of Science and Engineering.

6. The term "pertinent intelligence information" as used in these instructions shall mean that information which answers or partially answers the intelligence requirements of the Departments of State, Army, Air, Navy, the AEC, and the CIA.

7. Each of the branches named above shall be responsible for referring documents dealing with areas other than own to the responsible branch.

8. Documents from areas not covered by this Instruction shall be assigned to Branches by the Division Chief.
